## EDITOR'S NOTE

I am of two minds right now – one of my minds says this summer is FLYING by, and the other says why is it taking so long to get to September?! I always enjoy the September meeting so much – all the things that our members have created over the summer months on display at the show-and-tell! BUT. . . before we can be at the September meeting we have LOTS of things happening.

- September 1 – Medina Highland Library Display installation
- September 17 – Weymouth Historical Day – 3314 Myers Road, Medina – spinning demonstration from 8 am to 2 pm.
- September 17 – Dye Day at Hollie Krenz's family barn – 9 am until the pots are washed!
- September 18 – Case-Barlow Farm – 1931 Barlow Road, Hudson – spinning/dyeing demonstration

As you can see – even the “end” of summer is a very busy time for the Guild. If you can help with any of these events, it would be greatly appreciated. You might ask yourself, “why does the Guild do all these demonstrations?” Those who demonstrate can tell you – IT'S FUN! People are interested in the demonstrations – and they ask questions! Kids especially! And - Many of our new members come to us because they met someone from the Guild at one of these events.

## LIBRARY

The fall 2022 issues of Little Looms, Interweave Knits, Piecework, and Spin Off have arrived and will be ready to take out at the September guild meeting. I took advantage at Convergence in Knoxville to shop for a few books for the guild. For you to enjoy I purchased

*The Nature of Things, Essays of a Tapestry Weaver* by Tommy McClure Scanlin;

*Rug Hooking with Wool Strips* by Katie Kriner;

*Tapestry Design Basics and Beyond* by Tommy McClure Scanlin.

Start to gather your guild library books and magazines and put them in a place you will remember to bring them to our September meeting.

## DYE DAY 2022

When: Saturday, September 17

9:00 AM - until the pots are washed.

Where: Hollie Krenz's family barn

16118 Cowley Rd., Grafton, 44044

Dye pots: Madder, Cochineal, Osage Orange, & Indigo

What to bring: 8 skeins, each measured to 50 yards. Tie your skein beginning-to-end and secure with 3 figure-eight ties of white or natural yarn. Your skeins should be tagged with your name. Plastic milk jugs work great to cut your name tags from. Animal fibers work best with natural dyes. What else?: a folding chair, brown bag lunch and drink, plastic bags to transport your wet skeins home. Many bring their spinning or knitting to work on as we wait for dye pots to heat up.

Questions?: contact Becky Monegan, Cris Voorhees or Hollie Krenz.

## MEDINA HIGHLAND LIBRARY DISPLAY

Our display at the Highland Library will need to be in place September 1st! Before that can happen, Laurie Jendre needs to have things to display – which means each of us needs to help out with that! Your display items – woven things, knitted things, skeins of yarn, fiber processing equipment, etc. - can be dropped off to Becky Monegan at the Richfield United Church of Christ, 4340 West Streetsboro Road, Richfield, between 9 am and 1 pm, Monday through Friday. If this isn't convenient, please drop them off to Laurie at her home. Please provide a card explaining your display item. We'd like this display to look "professional", so please print the explanation (hopefully from your computer!) in a 5" x 7" area. These cards will be put into the display so people know what is on display! If you have any questions, please call Dianna Phillips – 330-606-3930.

## STAN HYWET'S TEXTILE ART SHOW

We currently have available slots—both morning and afternoon—for our demo and display area at the Stan Hywet Textile Arts and Artisans event. The show runs concurrently with Ohio Mart October 6 through 9, 2022. It was lots of fun and very well attended last time!

The event will again be held in the Manor House Auditorium. Display tables and chairs will be provided. Last time, we were given passes that we distributed to each participant prior to the show. The passes cover both the show and Ohio Mart. We are expecting the same this year.

The show is open from 10:00 to 4:00 Thursday through Sunday. Our shifts will run 9:30-1:00 (morning) and 12:30 to 4:00 (afternoon). Three demonstrators per shift is ideal (2 works, 4 is too crowded). The shift overlap allows enough time to get settled and ready to demonstrate when your shift begins. Plan to visit Ohio Mart before or after your shift. It's great!

The demonstrator's parking is a little ways from the Manor House, so they will have a golf cart to help get equipment to the Auditorium. The Auditorium is down a flight of steps and there is a service elevator for those who need it.

We are NOT permitted to sell anything. This is demonstration and display only. So bring whatever equipment/supplies you plan to use, plus some hand spun yarn and/or finished projects for the display table during your shift. If you have a small loom, you can bring that to demonstrate as well. But please be aware, our area is not big enough for equipment that is much larger than a spinning wheel.

To sign up, or if you have any questions, please contact me at [much2knit@hotmail.com](mailto:much2knit@hotmail.com) or 330-606-3930. I'll need your preferred date(s) and also a phone number where you can be reached to discuss optional dates/times in case your choice is not available.

I hope you will be able to participate!

- Dianna Phillips

# Medina Spinning and Weaving Guild Presents

## Stranded Knitting Mini-Workshop

Medina Spinning and Weaving Guild is happy to host Kathy Disantis to teach us the basics of Fair Isle knitting as we make this cute multi-use pouch. Sign up now to join in the fun and learn.

Friday, November 11, 2022

10 am - 2 pm

Medina Presbyterian Church

5020 Burgundy Bay Blvd.

Medina, OH 44256

Cost \$25 (members only)

Lunch included

Class size 10

### Workshop Overview:

Two handed Fair Isle knitting produces beautiful, multicolored items using only two colors at a time. It is a method in which each color is carried in each hand. This works very efficiently; you use your left hand to knit in the European style, and your right hand to knit in the North American style. You can master this in a short period of time and go on to make larger projects. This pouch can be used to hold a ball of yarn while you are knitting or hold your knitting implements. It also makes a great gift for a knitting friend. We will also learn how to read a chart and use charts effectively in our knitting. We will have two Christmas stocking patterns available for purchase for you to continue on your Fair Isle journey and some free patterns as well.
